

TIMMERMAN SCHOOL

FEBRUARY 2012

2012 Registration

We are currently in our registration process for the 2012 school year. Registration letters have been mailed. As current parents, you have the first opportunity to fill the available spaces. Please be reminded that open enrollment begins in March; therefore, it is important to sign up before classes are filled. As most of you recall from last year, some families failed to enroll in a timely fashion and by the time they made the decision to return, the classes were filled. Don't miss out on an opportunity to provide your child with a quality education. Education is the best and most important gift you can ever give your child.

Presidents' Day Daycare

You must sign up with Mrs. Nancy Glen or one of your child's daycare workers by Tuesday, February 7 if you need daycare on Presidents' Day, February 20. We had a problem with people not showing up after signing up which presented a problem. We commit to you, so please commit to us. If you sign up, and don't show, you will be charged the daily rate plus an additional \$10 fee. Again, we are glad to offer this service, but we need to be able to rely on what our parents tell us. It is imperative so that we can properly staff our age divisions. We will only be open if enough students are signed up.
